CERTIFICATE AMENDMENT

(To be attached to your Subscription Certificate)

Group: COOK COUNTY

Amendment Effective: June 1st, 2011

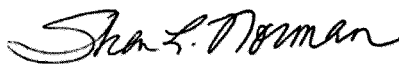

This rider amends your Subscription Certificate by revising the definition of "Dependent" to read as follows:

Dependent means your (a) spouse (unless legally separated); (b) unmarried dependent children who are under age 26; and (c) unmarried dependent children who are under age 30, if the children (i) are Illinois residents; (ii) served as members of the active or reserve components of any of the branches of the Armed Forces of the United States; and (iii) have received a release or discharge, other than a dishonorable discharge.

Legal spouse includes a partner to a civil union when that union is in accordance with Illinois law. We treat the civil union partner as a spouse in marriage, and the civil union as a marriage. Such unions also include same- sex relationships from other jurisdictions that provide substantially all of the rights and benefits of marriage.

Eligible children include natural or adopted children, children placed for adoption, stepchildren, and foster children for whom you or your spouse are the legal guardian. Eligibility may also be extended to any child past the age of 26 who is handicapped and dependent on you for support.

Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this certificate.

Enrollment/Eligibility Period

Your enrollment in this Plan is for a minimum of twelve (12) consecutive months while eligible through your Group. Enrollment into this Plan or voluntary termination from this Plan will only be allowed during Open Enrollment periods which are determined by your Group and First Commonwealth. Persons not enrolled when first eligible may be enrolled only during your Group's next Open Enrollment period.

Choice of Participating Dental HMO Offices

You and your Dependents must select a participating General Dentist from the directory of General Dentists. Each member of your family may select a different dental location from the directory. Each dental office is privately owned and establishes their own policies, procedures and hours.

In order to obtain Plan Benefits, you must select a Participating Dental HMO Dentist and receive care from that dentist. **Care rendered by a non-participating dentist, or care rendered by a Specialist without obtaining prior written authorization for such care, is not a Plan Benefit.**

Dental HMO Quality Assessment

Participating General Dentists and Specialists must meet certain standards prior to acceptance in our network. Availability, access to care, license standing, professional liability insurance coverage, emergency care provisions, National Practitioner Data Bank ("NPDB") reports and State Board ("BODEX") histories are some of the factors considered in reviewing an application.

First Commonwealth periodically reviews the care provided through a peer review process. If you have any questions or concerns about the care you are receiving, you are encouraged to review them first with your Participating General Dentist or Specialist. Our Member Services Department is also available to answer any questions you may have or to discuss any concern you may have.

Changing Your Dental Office Selection

You may change your participating dental office at any time during the benefit year. A change can be made by calling our Member Services Department (866) 494-4542 with the change information. If First Commonwealth is notified by the 15th of the month the change will be effective the first of the following month. If you notify First Commonwealth after the 15th of the month, the change will be effective the first day of the second month following your request. You may call your new dental office to schedule an appointment after your request for a change has become effective.

Specialty Care Referrals

Certain Plan Benefits require the services of a specialist (i.e. some oral surgery, orthodontics, endodontics, periodontics and pedodontics). In those cases, your dental HMO general dentist will refer you to a participating specialist. **You will be provided with a copy of the referral form to present to the specialist at the time of your appointment.**

How To Make An Appointment

You may schedule appointments with your General Dentist by calling the selected office **after your effective date of coverage**. When you call to schedule your appointment, notify the office that you are a member of First Commonwealth's dental plan. Be aware that you, like all other patients at your dentist's office, may need to wait longer for appointments at peak times (e.g. evenings, weekends). If you are flexible on time and days, you should generally expect to receive a routine appointment within several weeks of calling.

Appointments You Cancel

The time set aside for you is very valuable to your dentist. **Therefore, if you cannot keep an appointment, notify the dental office at least 24 hours in advance.** A charge may be assessed for broken appointments with less than 24 hours notice. Frequent broken appointments can result in your inability to establish and maintain a satisfactory dentist-patient relationship and thereby jeopardize our ability to provide you with ongoing coverage.

Emergency Care

Emergency Care means the provision of dental care for the sudden and, at the time, unexpected onset of a dental condition which would lead a prudent layperson to believe that failure to receive immediate dental care would result in a serious problem to the teeth or would place the person's oral health in serious jeopardy.

In Area Emergency Care: If you are in the plan service area and need Emergency Care, you should call your General Dentist. All General Dentists are required to have arrangements for 24-hour Emergency Care. If your General Dentist is unable to make arrangements for Emergency Care, you should call our Member Services Department. If you are unable to reach First Commonwealth (e.g. you are calling during non-business hours), you should seek care from any licensed dentist to alleviate the emergency condition only.

Out of Area Emergency Care: If you are more than fifty miles from your General Dentist and need Emergency Care, you should seek care from any licensed dentist to alleviate the emergency condition only.

If you receive Emergency Care out of network: You must call First Commonwealth's Member Services Department within seventy-two (72) hours after Emergency Care is provided to you by a non-participating dentist. The Member Services Representative will direct you to submit the dentist's bill listing the Emergency Care services to First Commonwealth within thirty days. Upon review, you will be reimbursed within thirty days of First Commonwealth's receipt of all information relevant to your Emergency Care less any applicable Copayment. Your reimbursement will be in accordance with plan benefits needed for the relief of acute pain, swelling or trauma.

Follow-up Care: Follow-up care, if needed, should be rendered by your General Dentist.

Identification Cards

You will receive an identification card (one per household per provider selected). It identifies you as the Subscriber eligible for services and lists the number of family Dependents registered at the selected dental office. The identification card also contains the phone number for you to call to schedule an appointment or Emergency Care with your dentist.

The identification card serves as a reminder of the Plan Benefits under which you are enrolled and the Participating Dental HMO Office you have selected. **You do not need the card to schedule an appointment nor do you need more than one card per family.** The card is only issued for your convenience, and is not a guarantee of coverage.

The identification card contains the First Commonwealth Member Services Department phone number and the address to send any Emergency Care claim forms or other correspondence to First Commonwealth.

Your Payment Responsibilities (Copayment)

Copayments represent your portion of the total cost of Plan Benefits paid to the participating dental offices. You and your Dependents are responsible for paying the Copayment for the covered benefit at the time of service.

The coverage levels contained in the Schedule of Benefits section of this booklet are guaranteed under this contract. All coinsurance percentages are applied to an annual fee schedule that Participating Dental HMO offices have agreed to accept. Your portion of the cost, i.e., your Copayment is based on this fee schedule and will not vary, based on which Participating Dental HMO Office you choose or your dentist's customary charges for services rendered.

Compensation of Participating Dentist

A participating dentist receives a fixed payment for eligible members enrolled in the dentist's practice. Payment is made irrespective of the number of services rendered or eligible members seen. The total compensation that a participating dentist receives is equal to this fixed payment plus reimbursement for services actually rendered based on the annual fee schedule that participating dentists have agreed to accept.

Coordination of Benefits

The benefits of this dental plan may be coordinated with another dental plan according to the terms of your Group Master Policy.

Automatic Renewal of Coverage

Your coverage will automatically be renewed each year unless you notify your Group of your intent to terminate coverage no later than thirty-one days prior to the renewal date.

Refusing Treatment

A Member may decide to refuse a course of treatment recommended by their General Dentist or Specialist. Members can request and receive a second provider's opinion by contacting Member Services. If the recommended treatment is still refused, the General Dentist or Specialist will have no further responsibility to provide services for the condition involved and the Member may be required to select another General Dentist or Specialist.

Termination of Coverage

Plan Benefits may be terminated immediately for any of the following reasons:

1. Termination of the Group Master Policy.
2. Your (or your eligible enrolled Dependents) failure to meet the eligibility requirements.
3. A Member's failure to pay applicable Copayments when due.
4. Material misrepresentation (fraud) in obtaining coverage.
5. Permitting the use of your identification card by another person, or using another person's identification card to obtain care to which one is not entitled.
6. Failure to establish a satisfactory dentist/patient relationship with a First Commonwealth Dental HMO Dentist.
7. Failure of Group or individual member (if applicable) to pay a Premium in a timely manner.

Coverage for a Subscriber and his/her Dependents will terminate according to the terms of the Group Master Policy, except for any of the reasons (1- 7) above when termination is immediate. In the event coverage is terminated, the Member shall become liable for charges resulting from treatment received after termination.

Complaint Resolution Procedures

We, our staff, and affiliated dental HMO dentists are committed to providing quality dental services in a convenient and accessible fashion. It is our commitment to do that in a manner which continually meets our Members' expectations. The Complaint Resolution Procedure is as follows:

If you have questions, concerns, comments or complaints about services, personnel or facilities that cannot be resolved to your satisfaction after speaking directly with the dentist or other concerned party, please contact us in writing or by phone. Our internal service standards require, where possible, to resolve all Member's inquiries and concerns immediately. If however resolving the issue will require additional time, the Member will be given the best estimate of the amount of time needed for resolution.

If your complaint has not been resolved to your satisfaction, you have the right to appeal our decision. You may do so by submitting, in writing, the reasons why you disagree with our decision along with any additional information you wish us to consider. This appeal should be submitted no later than 30 days from the date of our original decision or from the date of the incident. You will receive an acknowledgement of our receipt of the appeal advising you of when to expect a written response.

The appeal will then be sent to the President for a final review and decision. The President, at his sole discretion, may advise you of a hearing date to review the complaint and consider all the facts. You must attend the hearing (up to three dates will be considered). If following the outcome of the appeal process you are still dissatisfied with the resolution, you may choose to notify the State of Illinois Department of Insurance at:

Consumer Service Department
Illinois Department of Insurance
320 West Washington
Springfield, IL 62767
or

Illinois Department of Insurance
100 West Randolph, Suite 15-100
Chicago, IL 60601-3251
